Please Join Us! Monday, September 17, 2018, at 6 p.m. @ KOMOL RESTAURANT

Please join us for the FALL 2018 CSIEME Dinner on **Monday, September 17, 2018, at 6 p.m.** at **KOMOL Thai Restaurant**, 953 E. Sahara Avenue, Suite #E-10, Las Vegas, NV, 89104, (702) 731-9268. KOMOL is located inside the very large Commercial Center. Coming from campus, head North on Maryland. Go two miles to Sahara (about 2 miles), turn left onto Sahara and go to the first light (about 1/10 of a mile). Turn left at that light onto Commercial Center Drive. You will be forced to turn right by a short concrete divider, at the end of the divider turn left immediately and continue forward. KOMOL will be on your left in the middle of the block of businesses on that side of the Center. Here's a link to KOMOL's *very robust* menu: <https://komolrestaurant.com/#>

We did not query folks about dinner dates and times this semester simply because we did not have a lot of options given other commitments (we have a LOT going on this semester!). **We are hoping that with this advanced notice everyone can arrange to join us**, at least for part of the time (come early or late, even if just for a few minutes)—it is never the same when not everyone is there! If this is not possible, of course we understand and will still toast you and your accomplishments! *If you know for sure you will not be able to join us in person, consider recording and then sending us a short video to say hello and to update us on what you are working on/doing in your personal, academic, professional life to share at the dinner!*

For those of you new to this dinner—**WELCOME!** For the rest of you—**WELCOME BACK!!**

For all attendees, the purpose of the dinner is...to build, deepen, and sustain relationships as a part of a critically loving teacher-scholar-activist community.

For students, the purpose of this dinner is also...to discuss, relative to your programs of study, where each of you are, what you have already and still want to accomplish this semester/academic year, and what you need from the community to achieve your goals.

As always, we will also be celebrating some important milestones at the dinner, as well as welcoming new members to the community.

As an FYI, this dinner is now organized around:

- 1) the students that are in the CSIEME specializations at either the doctoral or master's level (as well as graduates who are still in/visiting the area);
- 2) the master's and doctoral students whose committees we chair or on which we sit on as a member (again, as well as graduates); AND,
- 3) all affiliated/interested "others."

The dinner is designed to be inclusive and supportive, not cliquy, so if you know of other colleagues who would like to attend, please invite them and let us know they are coming. Also, please let us know if we missed someone that you know should be included based on the "organizing" criteria :-)

And, as is always the case, children, significant others, other family and friends are welcome to join us, just let us know they are coming!

REALLY LOOKING FORWARD TO SEEING EVERYONE...and to continuing to build connections with veteran's in, and newbies to, our community!

Best,

Christine and Norma
