

Information About UNLV Center for Multicultural Education Critical Professional Development Offerings and Educator Continuing Education

There are two kinds of Contact Units (CUs) offered:

- 1) through the UNLV College of Education (as an approved provider) from the Nevada Department of Education (NDE); and,
- 2) through the CCSD Equity and Diversity Education Department (EDED) (via ELMS) in partnership with the UNLV Center for Multicultural Education.

Either or both kinds of CUs *may* count in the CCSD Professional Growth System (PGS) or for professional license continuing education and/or renewal.

For more information on the CCSD PGS check:

<https://teachvegas.ccsd.net/teaching/professional-growth-system/>

For more information on CCSD CUs check:
